LEADER AMONG LEADERS

Dr. Mark T. Barclay

Mark T. Barclay is known as a Preacher of Righteousness. He is a proven, precise leader among ministers worldwide. He has led and mentored many fivefold ministers and many in the marketplace. God has anointed him to help the apostles, prophets, evangelists, pastors, and teachers to get to their next phase of ministry, and believers to get deeply involved in their call in Christ.

For over 40 years, Brother Barclay has traveled the world over, preaching the uncompromised Word of God, preparing God's people for His coming. Many ministers of the gospel have literally been "stood up again" and "placed back in the battle" because they were touched by this leadership anointing.

Author of many books, curricula, syllabi, and periodicals, he has become known as a prolific contemporary writer—warning, revealing, exhorting, and literally shaping the future of many and demanding growth of a higher caliber throughout the body of Christ.

Television Ministry

The Mark T. Barclay telecast is reaching a multitude of people weekly with the gospel of Jesus Christ. Brother Barclay is the founding pastor of Living Word International Church, which is a very strong world outreach center in Midland, Michigan. From this world headquarters church, Brother Barclay travels extensively as a convention speaker and produces the ministry television program.

SMTI

Dr. Barclay is president and founder of Supernatural Ministries Training Institute, a vast specialized network of video training centers across the nation and in other countries of the world, training believers to find their gifts and callings in God. Many consider this to be the nation's #1 ministry of helps school, and possibly the best way to launch into the fivefold ministry.

RPN

Righteous Preacher's Network (RPN) is a world-class network of ministries and churches. Not only does RPN provide a home for many ministers, it provides access to the anointing on Brother Barclay. Dr. Barclay provides leadership and governance to a multitude of ministers globally through this ministerial network and fellowship. Many ministers call Brother Barclay their pastor, apostle, bishop, mentor, or father in the faith. Much of his time is spent with ministers and businessmen and women, whether by phone or in person, strengthening them and sharing biblical insights to advancement and biblical success.

Additional Information

As an honorably discharged U.S. Marine and Vietnam veteran, he has an unusual command and style to train men and women for service in the Lord's army.

Mark married his high school sweetheart on May 15, 1970. The Barclays serve God as a family team. His wife Vickie, daughter Dawn with her husband James, and son Josh with his wife Trish are all full-time in the ministry and flow together with the Lord's anointing.

Brother Barclay travels extensively speaking in his own Holy Spirit conferences, Live Straight Talk for Ministers meetings, seminars, conventions, and many churches—both in the United States and in many other countries.

Rev. Barclay has spent many years flowing in the gifts of the Spirit, laying hands on believers, and working in the office of the prophet. He now enjoys the same backing of the Holy Spirit as he concentrates on the call to the apostolic work at hand.
